

THIS IS AN EXAMPLE OF A PDF WRITTEN BY US THAT GIVES MORE DETAILS OF AN ISSUE AND CONTAINS MORE LINKS.

What you should aim for in an initial consultation / assessment:-

- Giving the patient time and encouragement to [tell their story](#).
- Another point
- A paragraph about something else concerning the patient as an individual and the development of empathy as a consultation/practice skill. Paragraphs like this can be quite long.
- And another with links to [publications](#) and documents
